

IMPORTANT NOTICE TO POLICYHOLDERS - TERRORISM RISK INSURANCE ACT

On December 26, 2007, legislation was enacted extending the federal Terrorism Risk Insurance Act of 2002, as amended (TRIA or the "Program"), until December 31, 2014. In accordance with TRIA, we must make coverage for "certified acts of terrorism" available under your policy. Previously, TRIA defined "certified acts of terrorism" to include only acts of terrorism committed by an individual or individuals "acting on behalf of any foreign persons or foreign interest." This was commonly referred to as "foreign terrorism". Coverage for "domestic terrorism", or acts of terrorism perpetrated by persons with no ties to foreign persons or interest, was provided in accordance with the terms and conditions of your policy, unless specifically excluded. On policies effective on or after December 26, 2007, TRIA no longer distinguishes between foreign and domestic terrorism in its definition of "certified acts of terrorism". As a result, a "certified act of terrorism" now includes both foreign and domestic terrorism. The actual coverage provided by your policy for "certified acts of terrorism" is limited by the terms and conditions of your policy and/or applicable rules of law.

For the duration of the Program, "certified acts of terrorism" will be defined in our policies as follows:

A "certified act of terrorism" means any act certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States, to be an act of terrorism pursuant to TRIA. The criteria contained in TRIA for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to TRIA; and
2. The act resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and
3. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals acting as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

Terrorism coverage made available in our policies is partially reinsured by the United States Department of the Treasury (the "Treasury") under a formula established by TRIA. Under this formula, the federal share equals 85% of that portion of insured losses that exceed the applicable insurer deductible. However, if aggregate insured losses attributable to "certified acts of terrorism" under TRIA exceeds \$100 billion in a Program Year (January 1 through December 31) the Treasury will not make any payment for any portion of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to certified acts of terrorism under TRIA exceed \$100 billion in a Program Year (January 1 through December 31) and we have met our insurer deductible under TRIA, we shall not be liable for the payment of any portion of such losses that exceeds \$100 billion and, in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The premium attributable to coverage for "certified acts of terrorism" is set forth as follows. The charge for terrorism is either shown in Item 4 of the Information Page or on the Schedule. The rate for terrorism will apply as of the effective date of your policy or the anniversary rating date if different from the effective date.

The terrorism rates are subject to change at any time based on state regulatory action.

Insurance Policy Billing Information

Thank you for selecting The Hartford for your business insurance needs.

Shortly, you will receive your first bill from us. You are receiving this Notice so you know what to expect as a valued customer of The Hartford. Should you have any questions after reviewing this information, please contact us at 866-467-8730, and we will be happy to assist you.

- o Your total policy premium will appear on your policy's Declarations Page. You will be billed based on the payment plan you selected.
- o You may pay the "minimum due" as it appears on your insurance bill or pay the policy balance in full.
- o An installment service fee is added to each installment. A late fee will also be applied if the "minimum due" is not **received** by the due date shown on your bill. Service and late payment fees do not apply in all states.
- o If you selected installment billing, any credit or additional premium due as the result of a change made to your policy, will be spread equally over the remaining billing installments. Additional premium due as a result of an audit will be billed in full on your next bill date following the completion of the audit.
- o If you elected Electronic Funds Transfer (EFT), policy changes may result in changes to the amount automatically withdrawn from your bank account. The invoice you receive following a policy change will include future withdrawal amounts. If you need to adjust or stop your next scheduled EFT withdrawal, please contact us **at least 3 days prior** to the scheduled withdrawal date at the telephone number shown below.
- o If you selected installment billing and pay the premiums for your first policy term on time, at renewal, your account may qualify for our "Equal Installment" feature. This means that the percentage due for each installment, including the initial renewal installment, will be the same throughout the policy term – helping you better manage cash flow. Equal installments will continue as long as you pay your premiums on time and no cancellation notices are issued for any policy on your account. If you no longer qualify for Equal Installments, future renewals will be billed based on the payment plan you selected, which includes a higher initial installment amount.
- o If your policy is eligible for renewal, your bill for the upcoming policy term will be sent to you approximately 30 days prior to your policy's renewal date. If your insurance needs change, please contact us at least 60 days prior to your renewal date so we can properly address any adjustments needed.
- o **One bill convenience** -- you have the option of combining all eligible Hartford policies on one single bill allowing you to make one payment for all policies on your account as payments are due.

You're In Control

In addition to selecting a bill plan option that best meets your budget, you have the flexibility to decide **how** your payments are made ...

- o **Repetitive EFT:** Sign up for Repetitive EFT payments and have payments automatically withdrawn from your bank account. This option saves you money by reducing the amount of the installment service fee.
- o **Pay Online:** Register at www.thehartford.com/servicecenter. Online Bill Pay is Quick, Easy and Secure!
- o **Pay by Check:** Send a check with your remittance stub in the envelope provided with your bill.
- o **Pay by Phone:** Call toll-free **1-866-467-8730**.

Should you have any questions about your bill, please call Customer Service toll-free number: 1-866-467-8730 - 7AM – 7PM CST. We look forward to being of service to you.

MAINTAINING YOUR RECORDS FOR AUDIT PURPOSES

WHAT IS A PREMIUM ADJUSTMENT?

When your Workers' Compensation policy was issued you paid a deposit premium based on the nature of your business and estimates of your payroll. At the end of the policy period, we conduct an audit to compare the estimates against the actual figures and operations. Based on this comparison an adjustment is made. If the actual premium is less than what you already have paid, a refund will be made. If it's more, you will be billed for the difference. These adjustments are subject to any minimum premiums that apply.

HOW WILL THE PREMIUM ADJUSTMENT BE MADE?

On smaller, less complex operations we may ask you to provide the information by mail or telephone. If we do, we will provide the necessary forms for you to complete.

On larger, more complex operations one of our Premium Auditors will contact you for an appointment. You will be contacted either by telephone or mail. If directed, the auditor will contact your accountant to obtain as much information as possible and contact you at a later time for additional information that may be needed.

BASIS OF PREMIUM

Remuneration (Payroll) in most states, includes:

Payment of: Wages, bonuses, commissions, over-time,* sick pay, vacation pay,* tool allowances, contributions to individual retirement accounts, employee contributions to employee benefit plans.

Payments on basis of: Piece work, incentive plans, profit sharing.

The value of: Housing furnished to employees,* meals furnished to employees,* store certificates, merchandise and other dollar substitutes.

Remuneration does not include:

- Employer contributions to a group insurance or pension plan other than statutory plans of insurance.
- Special awards for individual inventions or discoveries.
- Overtime.*

Subcontractors. In the absence of other insurance, most state laws hold a contractor responsible for injuries to employee of subcontractors. At the time of audit Certificates of Insurance must be available for subcontractors with employees, in order to avoid payment of premium.

Independent Contractors, without employees, whose duties closely resemble those of an employee, will be considered your employee with the appropriate premium charged.

The actual working relationship between you and the Independent Contractor is examined. Items such as, but not limited to: whether the work performed is an integral part of your operations, whether you have the right to control the details of the work, the method of payment, who supplied the materials used, does the person regularly work for others, whose regulatory authority did person operate under, whether the person is involved in a separate and distinct business offering the same services to the public.

RECORDS

As part of the policy conditions, we are allowed to examine your financial books and records to determine actual exposures and operations. We would appreciate your cooperation in making the needed records available for the auditor's inspection.

What Records Will Be Needed?

The records needed will vary. In most cases, the Premium Auditor will be able to obtain the necessary audit data from two or more of the following records: Journals, Ledgers, State and Federal Tax Reports, Individual Earning Cards, Checkbooks and Contracts.

How You Should Keep Your Records

By maintaining your payroll records in accordance with the following guidelines, you might reduce your insurance costs.

Overtime. In most states, the amount paid in excess of straight time pay can be deducted if it can be verified in your records. You must maintain your records to show pay separately by employee and in summary by classification of work.

***Division of an employee's payroll** to more than one classification is not allowed in most states.

Exception: For construction, erection or stevedoring operations the payroll of an employee may be allocated to each type of work performed if proper records are kept. Your records must show the number of hours and amount of payroll for each type of work. If you do not keep such a breakdown, the full salary must be charged to the highest rated classification to which the employee is exposed

Executive Officers in most states are considered employees of their corporation and included in the computation of premium. Their remuneration is assigned without division to the actual operation in which they are engaged. If their duties are the same as those of a worker, foreman or superintendent, their payroll is assigned to the classification that develops the highest

payroll. Minimum and maximum payrolls apply to executive officers.

Automated Records. If your records are automated or you plan to automate in the near future you can obtain maximum benefits by setting up your records to include insurance requirements. Our Premium Auditor will be pleased to assist you in setting up your records. Contact your Hartford Representative if you would like this assistance.

NOTE: The contents of this publication are not intended to supersede any definitions or conditions of your policy, the Workers' Compensation Law or any legal rulings.

****Your state may have specific rules or exceptions. Please contact your Hartford Representative for details that may apply and answer questions you may have.***

Dear Hartford Insured,

Re: An Important Message to Workers Compensation Policyholders

The control of workplace accidents and injuries should be among the highest priorities of your firm. Each accident wastes precious human and financial resources, and introduces inefficiencies into your operations. From a practical standpoint, the control of accidents, and their inevitable costs, simply makes good business sense.

An effective loss prevention/loss control program can save you money and aggravation, can positively impact your loss experience (and thus your premium), and most importantly, can help you maintain solid control of your operations.

As a service to you, our valued customer, the Loss Control Department of The Hartford in cooperation with your independent agent, can assist you in establishing loss control strategies. If you would like assistance, please complete and return to us the reply portion of this brochure, or contact your independent agent.

Services Available

The following is a description of some of the services that we provide. The types of services that may be appropriate for your business depend upon the nature and size of your operations and the specific loss control services you have requested. The cost of loss control services may or may not be a part of your insurance premium. This depends on the extent of the requested services, agreements stated in your insurance policy and program, and statutory regulations that may require us to provide loss control services.

- 1) **Reference Materials** – Information about loss control topics that can be provided or made available to you to help you to enhance your loss control program.
- 2) **Telephone Consultation** – We can hold a teleconference with you to help you to evaluate your loss control program, identify areas for improvement, and recommend ways to implement such improvements.
- 3) **Onsite Consultation** – This consists of visiting your premises and helping you to assess and remedy your loss control needs onsite. This level of service is usually only appropriate for larger, higher hazard operations. The following are examples of some of the services that could be provided onsite:

- o A review of your safety program to determine its adequacy and recommend modifications to that plan where needed.
- o Specific hazard evaluations, including ergonomics, industrial hygiene or material handling.
- o An initial survey and evaluation to address potential safety and health hazards.
- o Consultation to help management establish a comprehensive loss prevention Program.
- o Periodic summaries of accidents and analysis of causes.
- o Follow-up visits to check on progress and to provide continuing assistance when required.

A Word About OSHA

The Occupational Safety and Health Act of 1970 and similarly approved State Plans require employers to provide their employees with safe and healthful places to work. The Occupational Safety and Health Administration (OSHA) of the U.S. Department of Labor and similar State agencies enforce the regulations and apply penalties (civil and criminal) for non-compliance.

New standards have been developed, and through application and interpretation, standards change. You should make yourself aware of the standards that are applicable to your operations, and assure yourself that reasonable efforts are made to be in compliance. Copies of the standards are available through most libraries, or can be obtained through OSHA or the U.S. Government Printing Office.

You should know that neither The Hartford, nor any other party, can fulfill your obligations under the Law. Questions related to your legal obligations should be referred to your legal counsel.

Some Safety Reminders from The Hartford:

Have you considered:

- o The need to formalize your safety efforts to assure compliance and document your efforts?
- o The need to acquire Material Safety Data Sheets on all hazardous materials and the need for training on appropriate safety measures for your employees?
- o Requirements for record keeping of injuries, illnesses, and exposure to hazardous substances?
- o Assessing each job task to determine hazards and needed controls?
- o Measuring each exposure to hazardous substances to determine the need for control or personal protective equipment?
- o What mechanisms are in place to periodically verify that exposure controls (guards, ventilation systems, etc.) are still in place and working?
- o What specific training your employees and your supervisors need to avoid hazards in the workplace?
- o What specific OSHA standards apply to your business?

- o What mechanism exists to promptly investigate all accidents and 'near-misses' to limit the chance of another occurrence?
- o The financial impact an injury or illness has on your business?
- o What resources are available to you to help prevent accidents and illnesses?

Thank you for your business.

Sincerely,

The Hartford's Loss Control Department

NEW JERSEY
NOTICE OF ELECTION - PROPRIETORS AND PARTNERS
WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY INSURANCE

The New Jersey Workers' Compensation Law was amended effective April 13, 2000. The amendment permits **election** by a self-employed person or partners of any partnership including partners of a limited liability partnership and members of a limited liability company actively performing services on behalf of the business to be deemed employees for the purpose of receipt of benefits and the payment of premiums. This election does not affect the insurance obligations for employees other than the self-employed person, partners or members.

The election must be made at the time the policy is purchased or renewed and must be effective at the inception date of the policy. It is important to note that the election cannot be rescinded during the policy period and that in the case of any partnership including a limited liability partnership or limited liability company, **ALL** of the partners or **ALL** of the members must elect the coverage. You will be required to pay a premium based on the remuneration and duties of the self-employed person or each partner or each member.

The insurer or insurance producer shall not be liable in an action for damages on account of the failure of a business, limited liability partnership, limited liability company or partnership to elect to obtain workers' compensation coverage for a self-employed person, limited liability partner, limited liability company member or partner, unless the insurer or insurance producer causes damage by a willful, wanton or grossly negligent act of commission or omission.

Whether electing or rejecting coverage, it will be necessary to complete the information as requested below. This completed form must then be returned to the insurer/producer. A copy of this Notice and proof of mailing should be retained for your records. If you received this form in relation to a renewal of insurance, and fail to execute and return it to the insurer/producer, coverage will continue as per the expiring policy.

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational

disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE - WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;

2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You

will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the workers compensation law that apply to:
 - a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO - EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.

2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last

exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;

5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 USC Sections 901-950), the Nonappropriated Fund Instrumentalities Act (5 USC Sections 8171-8173), the Outer Continental Shelf Lands Act (43 USC Sections 1331-1356a.), the Defense Base Act (42 USC Sections 1651-1654), the Federal Coal Mine Safety and Health Act (30 USC Sections 801-945) any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;
9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 USC Sections 51-60), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 USC Sections 1801-1872) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. Bodily Injury by Accident. The limit shown for "bodily injury by accident-each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. Bodily Injury by Disease. The limit shown for "bodily injury by disease - policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease - each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE - OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that

state were listed in Item 3.A. of the Information Page.

3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the

Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR - YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.
4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE - PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis.

This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. All your officers and employees engaged in work covered by this policy; and

2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is cancelled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX - CONDITIONS

A. Inspection

We have the right, but are not obligated to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with that law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2007. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2007.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2008, and ending on December 31, 2014, an amount equal to 20% of our direct earned premiums, over the calendar year immediately preceding the applicable Program Year.

"Program Year" refers to each calendar year between January 1, 2008 and December 31, 2014, as applicable.

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a Program Year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses exceed \$100,000,000 in a Program Year, the United States Government would pay 85% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page or in the Schedule below.

SECTION II

VOLUNTARY COMPENSATION AND EMPLOYERS' LIABILITY COVERAGE

5. Voluntary Compensation Insurance

A. How This Insurance Applies

This insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must be sustained by any officer or employee not subject to the workers' compensation law of any state shown in Item 3.A. of the Information Page.
2. The bodily injury must arise out of and in the course of employment or incidental

to work in a state shown in Item 3.A. of the Information Page.

3. The bodily injury must occur in the United States of America, its territories or possessions, or Canada, and may occur elsewhere if the employee is a United States or Canadian citizen, or otherwise legal resident, and legally employed, in the United States or Canada and temporarily away from those places.

MISSOURI EMPLOYER PAID MEDICAL ENDORSEMENT

Named Insured and Address: SERTOMA INTERNATIONAL AND STERTOMA
FOUNDATION
1912 E. MEYER BLVD
KANSAS CITY, MO 64110

This endorsement applies only to the insurance provided by the policy because Missouri is shown in Item 3.A. of the Information Page.

As a Missouri employer, you have the right, as provided by Section 287.957 of the Revised Statutes of Missouri, to have medical-only claims that do not exceed \$1,000 excluded from your experience modification calculation. This will only be allowed when you pay all of the employee's medical costs, there is no lost time from the employment, other than the first three days or less of disability and no claim is filed. You still must report all injuries, regardless of the dollar amount, to the Division of Workers' Compensation and to us.

However, it should be noted that if, at any time, the medical expenses that are paid "out-of-pocket" due to a particular injury should ever exceed \$1,000 in the aggregate, and/or the employee misses work due to the injury, then this injury must be reported to us as a claim. We will pay the full amount of the claim, which includes any reimbursements due to you for past medical expenses incurred by you for this particular claim. As a result, the total amount of losses incurred by us due to this claim will be included in your experience modification calculation.

Missouri Property and Casualty Insurance Guaranty Association Coverage Limits.

1. Subject to the provisions of the Missouri Property and Casualty Insurance Guaranty Association Act (Act), if we are a member of the Missouri Property and Casualty Insurance Guaranty Association (Association), the Association will pay claims covered under the Act if we become insolvent.
2. The Act contains various exclusions, conditions and limitations that govern a claimant's eligibility to collect payment from the Association and affect the amount of any payment. The following limitation applies subject to all other provisions of the Act:
 - a. Claims covered by the Association do not include a claim by or against an insured of an insolvent insurer if the insured has a net

worth of more than \$25 million on the later of the end of the insured's most recent fiscal year or the December thirty-first of the year next preceding the date the insurer becomes an insolvent insurer; provided that an insured's net worth on such date shall be deemed to include the aggregate net worth of the insured and all of its affiliates as calculated on a consolidated basis.

If the insured prepares an annual report to shareholders, or an annual report to management reflecting net worth, then such report for the fiscal year immediately preceding the date of insolvency of the insurer will be used to determine net worth.

- b. However, the association will not:
 - (1) Pay an amount in excess of the applicable limit of insurance of the policy from which a claim arises; or
 - (2) Return to an insured any unearned premium in excess of \$25,000

These limitations have no effect on the coverage we will provide under this policy.

Named Insured and Address: SERTOMA INTERNATIONAL AND STERTOMA
FOUNDATION
1912 E. MEYER BLVD
KANSAS CITY, MO 64110

This endorsement applies only to the insurance provided by Part Two (Employers Liability Insurance) because New Jersey is shown in Item 3.A. of the Information Page.

With respect to Exclusion C5, this insurance does not cover any and all intentional wrongs within the exception allowed by N.J.S.A. 34:15-8 including but not limited to, bodily injury caused or aggravated by an intentional wrong committed by you or your employees, or bodily injury resulting from an act or omission by you or your employees, which is substantially certain to result in injury.

With respect to Exclusion C7, we will defend any claim, proceeding or suit for damages where bodily injury is alleged. We have the right to investigate and settle. We will not defend or continue to defend after the applicable limits of the insurance have been paid. Such policy limits include any legal costs assessed against you on behalf of your employee(s).

We may not limit our liability to pay damages for which we become legally liable to pay because of bodily injury to an infant under the age of 18 years in a proceeding made pursuant to Article 2 as provided in N.J.S.A. 34:15-10.

This insurance does not provide for the payment of any common law negligence damages or other damages when the provisions of Article 2 of the New Jersey Workers Compensation Law have been rejected by you and your employee(s) as provided in N.J.S.A. 34:15-9.

With respect to paragraph F., the "Other Insurance" provisions is replaced with the following:

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

This insurance, however, is excess over any other applicable insurance with respect to claims for bodily injury arising out of employer practices, policies, acts or omissions enumerated in C7 above, whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise.

NEW JERSEY
NOTICE OF ELECTION - PROPRIETORS AND PARTNERS
WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY INSURANCE

The New Jersey Workers' Compensation Law was amended effective April 13, 2000. The amendment permits **election** by a self-employed person or partners of any partnership including partners of a limited liability partnership and members of a limited liability company actively performing services on behalf of the business to be deemed employees for the purpose of receipt of benefits and the payment of premiums. This election does not affect the insurance obligations for employees other than the self-employed person, partners or members.

The election must be made at the time the policy is purchased or renewed and must be effective at the inception date of the policy. It is important to note that the election cannot be rescinded during the policy period and that in the case of any partnership including a limited liability partnership or limited liability company, **ALL** of the partners or **ALL** of the members must elect the coverage. You will be required to pay a premium based on the remuneration and duties of the self-employed person or each partner or each member.

The insurer or insurance producer shall not be liable in an action for damages on account of the failure of a business, limited liability partnership, limited liability company or partnership to elect to obtain workers' compensation coverage for a self-employed person, limited liability partner, limited liability company member or partner, unless the insurer or insurance producer causes damage by a willful, wanton or grossly negligent act of commission or omission.

Whether electing or rejecting coverage, it will be necessary to complete the information as requested below. This completed form must then be returned to the insurer/producer. A copy of this Notice and proof of mailing should be retained for your records. If you received this form in relation to a renewal of insurance, and fail to execute and return it to the insurer/producer, coverage will continue as per the expiring policy.

N O T I C E

The Information Page of your Workers Compensation and Employers Liability Insurance Policy contains line items for (1) a Second Injury Fund Surcharge and (2) an Uninsured Employer's Fund Surcharge. Each surcharge amount represents a percentage of your total estimated standard premium and will be subject to adjustment when the final audited standard premium is determined. Explanations of these surcharges are provided below.

SECOND INJURY FUND

The New Jersey Workers Compensation Law established the Second Injury Fund to provide benefits to workers who become permanently and totally disabled as a result of work-related injury or occupational disease when that worker had been previously partially disabled. The Law also requires that the Fund provide annual adjustments to certain persons permanently and totally disabled and to certain dependents of deceased workers.

Through 1988, the Second Injury Fund was financed by an annual assessment upon insurance carriers. Such assessment was included in your standard premium via the manual premium rate(s) shown in your policy Information Page.

Effective January 1, 1989, an amendment to the Law requires that the present financing be replaced by a direct surcharge shown as a separate "Second Injury Fund Surcharge" line on your policy Information Page. It will no longer be included in the manual premium rate. This new system will discourage other states from imposing retaliatory taxes on New Jersey based insurance companies and ultimately aid cost containment efforts.

UNINSURED EMPLOYERS FUND

The New Jersey Workers Compensation Law requires every employer to provide workers compensation coverage through purchase of a workers compensation and employers liability insurance policy. Failure to provide such coverage results in a fine and/or criminal action by the Department of Labor as well as continued liability for benefit payments to an injured worker.

The Uninsured Employers Fund was established by Law to provide benefits to an injured worker when the employer has failed to comply with the insurance provisions of the Law and is unable to provide the required benefits. Through 1988 total financing of the Fund was derived from fines imposed upon uninsured employers.

Effective January 1, 1989, an amendment to the Law requires that the present financing be supplemented by a direct surcharge shown as a separate "Uninsured Employers Fund Surcharge" line on your policy Information Page. This method will assure the delivery of benefits to injured workers and the surcharge will cease whenever the year end balance of the Fund exceeds \$500,000.

STATE OF MISSOURI WORKERS' SAFETY PROGRAMS (MWSP)

The State of Missouri Division of Workers' Compensation requires all insurance carriers to notify policyholders about MWSP's services in the same manner as it notifies policyholders about its own internal loss control services. MWSP requires insurance carriers to provide the following notice to its policyholders:

The Missouri Division of Workers' Compensation offers free safety services to Missouri employers through its Missouri Workers' Safety Program (MWSP). MWSP's main goal is to help employers control workers' compensation costs. The Division also certifies Missouri insurance carriers' safety engineering and management programs that are available to insured's upon request. Employers may contact MWSP at 1 (800) 775-COMP or 573/526-3504, email mowsp@dolir.mo.gov for more information about workplace safety or for a registry of safety consultants and safety engineers who are certified by the Division.

POLICY ADJUSTMENT NOTICE

The premium we charged for your enclosed Hartford policy was based, in part, on estimates and assumptions related to items such as payroll, sales revenue, and the nature of business operations for the policy period shown. When your coverage period expires, a premium audit will be conducted to ensure the premium you paid for your insurance was accurate. In order to complete the premium audit, when your policy coverage period expires you may receive, via e-mail or US Postal mail, a request to complete an "Insured's Report of Exposure" Form. Alternatively, you may receive notice that a Premium Audit representative will be contacting you to review your records and discuss your business operations over the phone or in person. The purpose of the statement, phone call or visit is for the Premium Audit Department to collect the information required to ensure that the premium you paid for your coverage was accurate.

Once the audit is complete, you will receive a Statement of Premium Adjustment which will reflect the amount of your policy auditable premium, and will indicate whether you are owed a refund or if additional premium is due for the policy period shown.

If we owe you a return premium, The Hartford will apply the refund amount to any current account balance. If your account is paid in full, or if your refund amount is greater than the current account balance, we will issue you a refund check. You can expect to receive this check within the next **30** days.

If you owe us an additional premium, the **entire amount** will appear as due and payable on your next bill. This amount will appear as "Premium Audit" on your bill.

If you have any questions regarding the Premium Audit process, please call your insurance agent.

Thank you for doing business with The Hartford.
